The Aston Martin Owners Club

The Aston Martin Owners' Club was founded in 1935 to cater for the owners of Aston Martin cars of which there were some six hundred at that time.

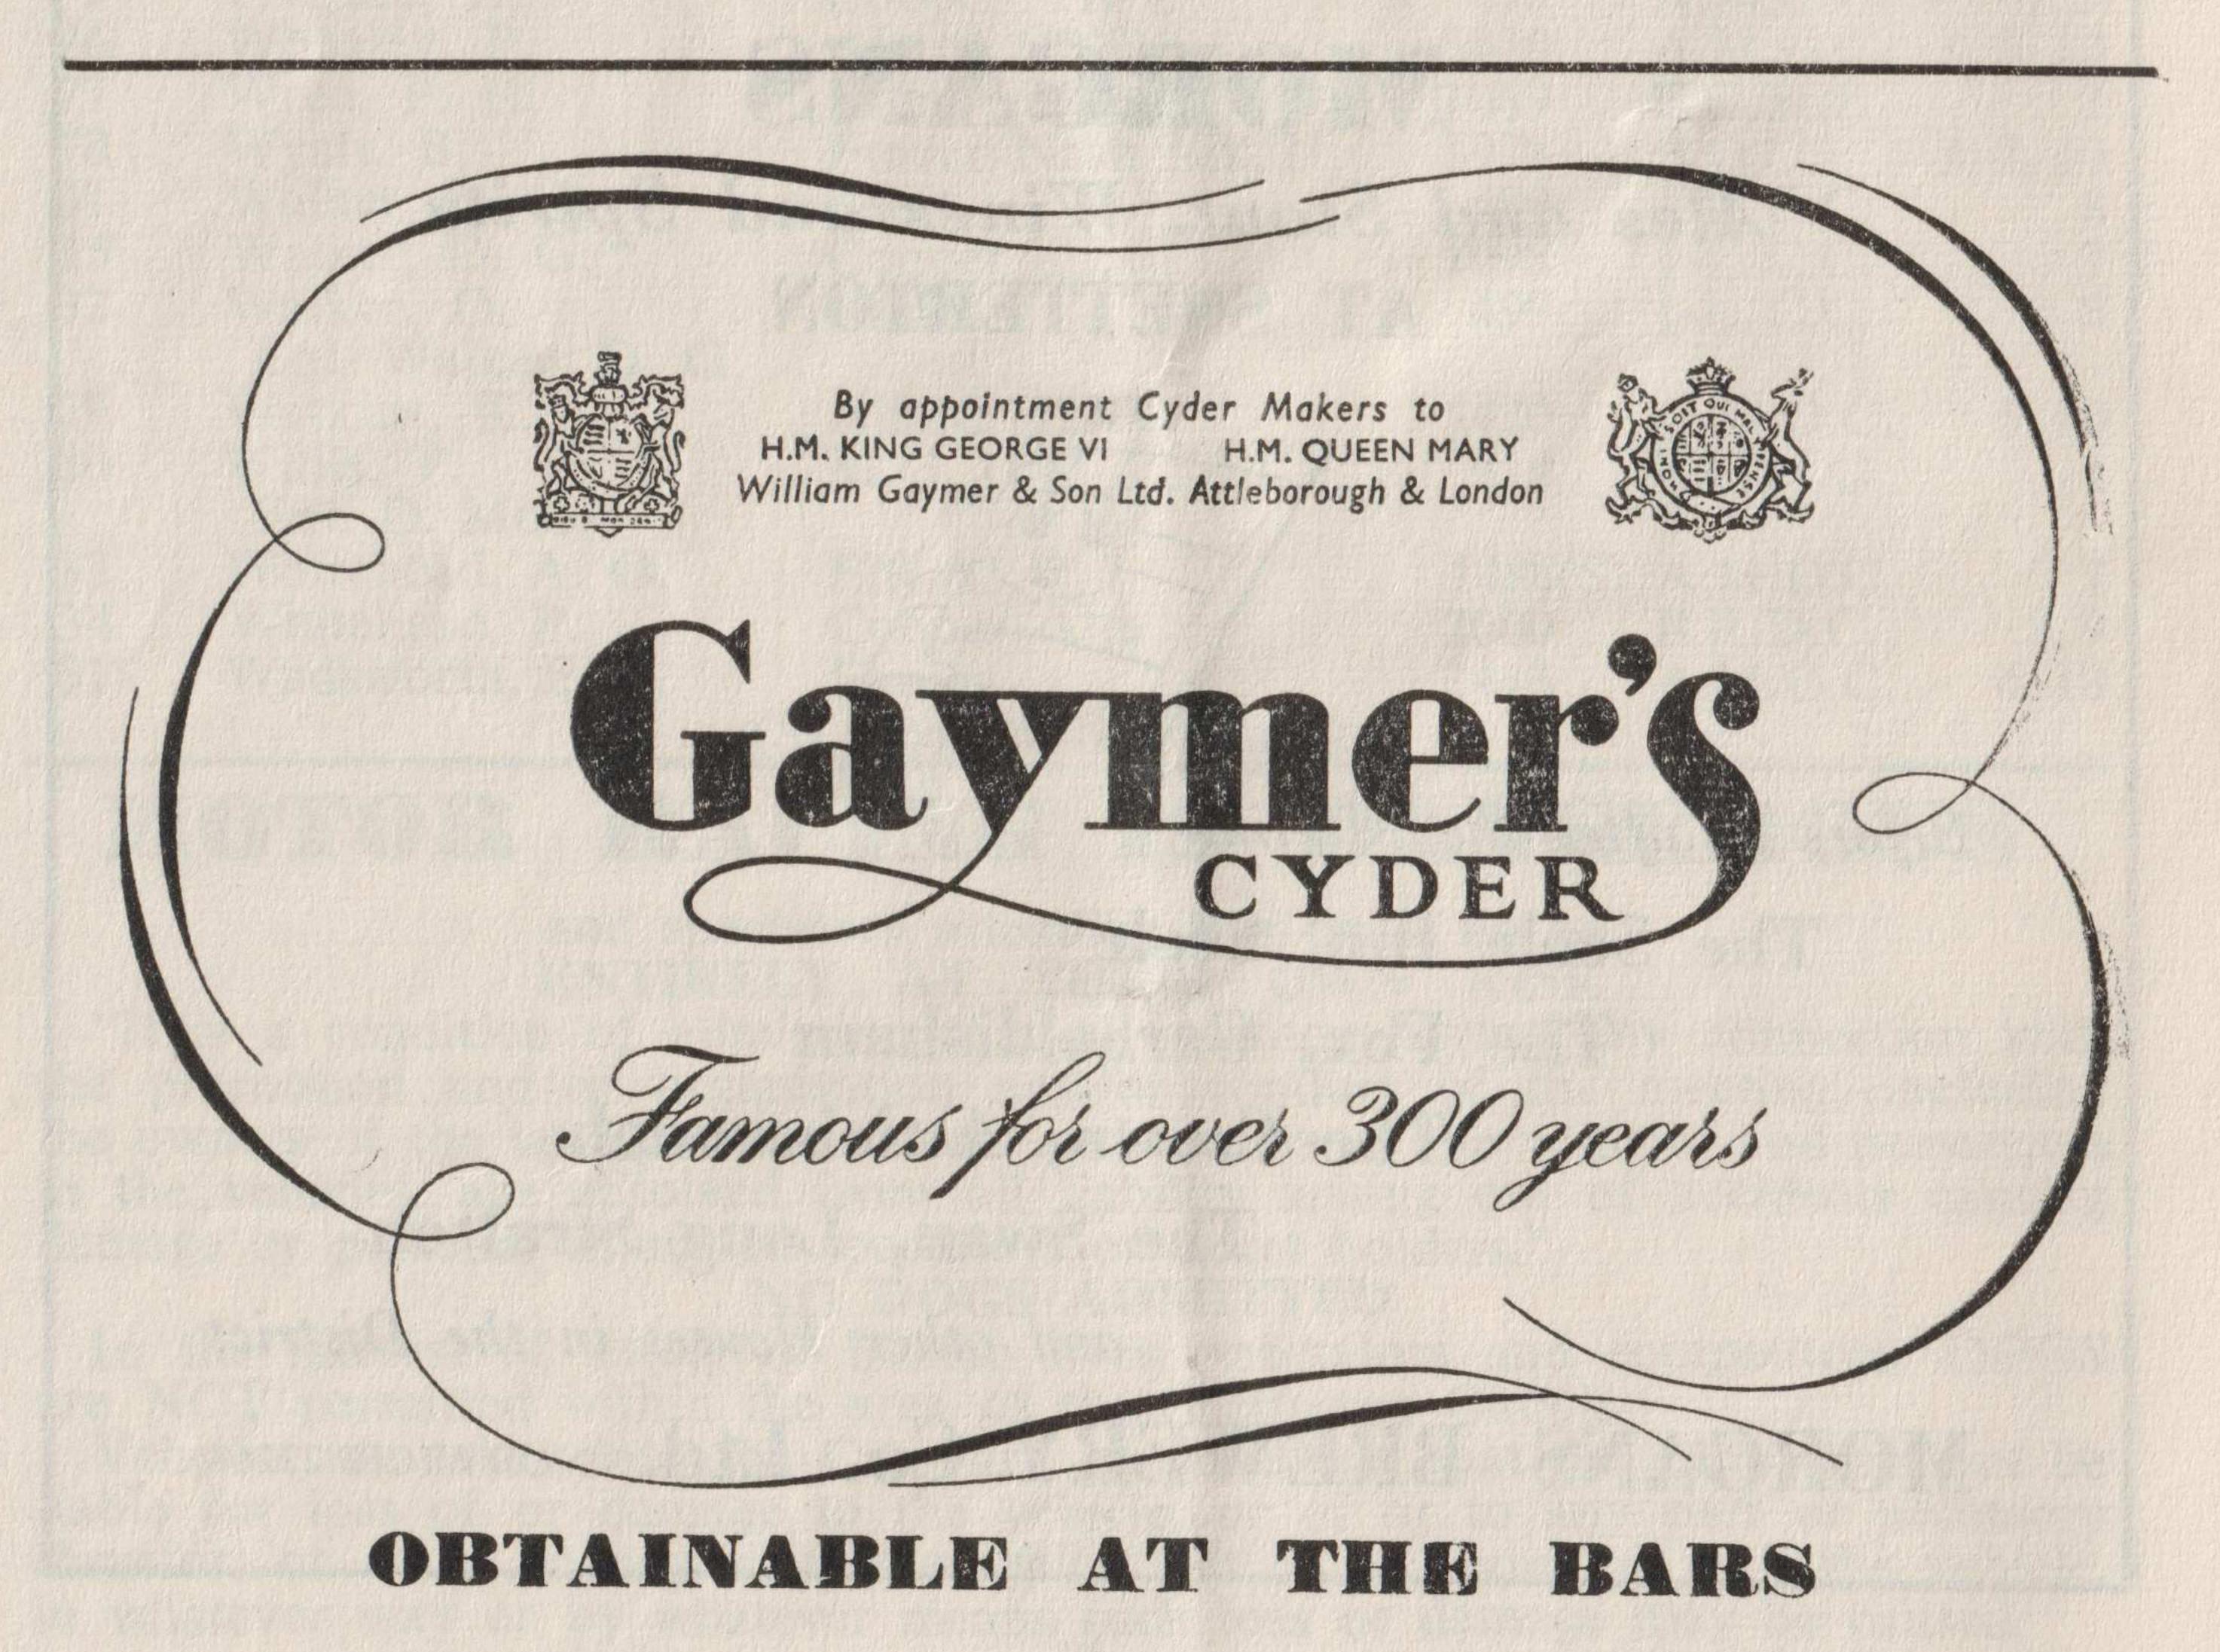

Its first Honorary Secretary and Founder was Major M. Morris-Goodall who afterwards became President and is at the present busily occupied as Racing Manager of Jaguar Cars.

The Club reformed after the 1939-45 war had ended and the late Richard Stallebrass became the new Honorary Secretary. After Dick Stallebrass' fatal accident at the 1948 S.P.A. Sports Car Race, Dudley Coram took over the Secretaryship.

The Club today has a membership of over some eight hundred, most of whom own or at least race Aston Martins. Some two hundred of its members, however, are "Associates" which means they have been admitted to the Club because of their interest in the past or future development of the marque.

If you are only interested in Aston Martins but are not fortunate to own one at present your proposed application for membership is welcome. If you own an Aston Martin there is no good reason why you should not be a member.

Details of membership will be sent on application to the Hon. Secretary, A.M.O.C., Ltd., Room 25, Condon House, St. Paul's Churchyard, London, E.C.4.
